

Project Management Professional (PMP) Exam Preparation Course

About the Instructor

Vanina Mangano is a Certified Project Management Professional and Risk Management Professional with experience of Operations, Analysis, and Project Management, both domestic and international. Over the past decade, Vanina has specialized in working with and founding start-up companies ranging from overseas technology-driven companies, to recreation and fitness. Prior to her current role, Vanina served as a Vice President for BHNET Software Solutions, focusing in the onshore/offshore outsourcing model within the Asian and European countries.

Vanina is the author of *PMP: Project Management Professional Exam Review Guide*, published by Sybex.

Course Description: Prepare for the PMP exam the efficient and cost effective way. This instructor-led course is offered as a 5 day bootcamp and is conveniently available online or in San Diego, California. Gain the same amount of instruction and information as you would during a three-week course, along with self-study tips and guides to fully prepare you for exam day. This course will fulfill your 35 hours of mandatory contact hours.

Each day offers a concentrated review of topics you will need to know for the exam. Registration comes with: course material, study guide, and practice questions.
